Happy February WEG Families!

We have officially entered the half-way point of our school year! Five months down, five months to go! This month our school community will be busy as we focus on kindness. Students will be working through several kindness challenges throughout this month. We are looking to "catch students being kind" and will write their good deeds on a heart to be placed on a wall in the school. Students can nominate others when they see kindness through words or actions. We are hoping to have our school filled with hearts by the end of the month.

Pink Shirt Day: February 26:

Just like tending to a garden, together we can each help nurture a sense of belonging where we live, work, and go to school. It all starts with small gestures—a kind word, an offer of support or understanding. If we plant enough, pretty soon, more will be sprouting up all around us! By sprinkling these seeds of empathy and compassion, we can work towards a world without bullying and "Let Kindness Grow" through all of our community gardens.

Welcome to
Kindergarten

Kindergarten Registration is now open! If you, or someone you know, has a child who is turning 5 by December 31, 2025, that child is eligible for Kindergarten this fall!

Please stop by the school office to pick up your forms and find out what documents we require for registration. Questions? Call the office anytime at 250-355-2212.

We are looking for volunteers to help with hot lunches and snacks. We currently have one Mom but she needs a few extra sets of hands. Please call the office for more information or if you are able to help us out!

Just a friendly reminder that students require a helmet when using the outdoor skating rinks!
